

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **Carnella Turner Lewis v Clarence Lewis Jr**
Docket No. **290574**
L.C. No. **2004-689849-DM**

Henry William Saad, Chief Judge, acting under MCR 7.203(F)(1) and 7.216(A)(10), orders:

The claim of appeal is DISMISSED for lack of jurisdiction. The order denying appellant's motion for reconsideration dated February 3, 2009 and entered February 5, 2009 is not a final order appealable of right. MCR 7.202(6)(a); MCR 7.203(A)(1). Further, the claim of appeal cannot be saved by treating it as being taken from either of the underlying orders entered on December 3, 2008 and December 22, 2008. Because the motion for reconsideration was not filed until well over 21 days after the December 3, 2008 order it did not extend the time for filing a claim of appeal from that order. MCR 7.204(A)(1)(b). Also, the December 22, 2008 order denying a motion to terminate the use of a parenting time coordinator is not a final order. MCR 7.202(6)(a). At this time appellant may seek to appeal from the February 5, 2009 order or either of the underlying December 2008 orders only by filing a delayed application for leave to appeal under MCR 7.205(F).
